| COSTS (ie contractor costs, purchase costs, ongoing costs) Detail any funding required from the Parish Council (Landulph Parish Council to consider affordability / budget / precept; and also whether it has the power to spend on this). | 1. Delegated authority to purchase items within Y4 CAP3 grant. 2. Suggest I purchase EE PAYG MBB 120GB 12 Months SIM for Community Chest project which has no contract and lasts up to 12 months. This will limit the cost and allow us to assess the data requirements. |
