

LANDULPH ORCHARD GREEN

February 2026 LOGGERS update

In 2022, the Duchy of Cornwall, Marsh Farm and Landulph Parish Council agreed that two silage fields could become green spaces for nature and the community.

In three years our community has transformed these into **Duke Orchard** and **Duchess Green**.

The LOG Working Group would like to celebrate and thank everyone for their hard work at **Cargreen Yacht Club** from 6:30pm on Saturday 21 February.

In January 2024 we planted 60 trees in Duke Orchard. On **Sunday 22 February** from 2-4pm in **Duke Orchard** we will be releasing the trees from the cages, weeding and pruning where necessary.

On **Saturday 28 February, 9.30am - 3.30pm**, we welcome the **Tamar Valley Community Action for Nature Forum** to Landulph. In the morning there will be talks from local community groups and after lunch a visit to Duchess Green and Duke Orchard. This is a free event (including lunch) and it would be great if Loggers were on hand during the visit. [Reserve your lunch.](#)
