

REPORT TO LANDULPH PARISH COUNCIL - WORKING GROUP UPDATE Please complete and submit this form for Working Group updates to be considered by Landulph Parish Council.	
TITLE	Landulph Climate Group
DATE OF UPDATE	13 July 2026
ACTIVITIES TO REPORT	Landulph School Visit to Duchess Green The children of Landulph School (55 children) visited Duchess Green on 3 July 2026 with five members of staff. The children worked in groups of 11 children to work on six challenges loosely related to Citizen Science with nine volunteers helping the children: 1. Pond wildlife - recording the wildlife in and on the pond 2. Using a compass - following a route using a compass 3. Exploring the mound - investigating the impact of gradient 4. Grassland plants & bugs - recording the wildlife in a metre square 5. Miyawaki measuring - investigating how much the trees have grown 6. Habitat identification - identifying wildlife living in different habitats The children also took some photos to enter in the Landulph Climate Group Wildlife Photography Competition. Additional equipment and identification guides were borrowed from the Tamar Valley Centre. https://www.landulph.org/landulph-orchard-green-details.php?id=162 Participation in Focus Group for LCAT LCAT (Local Climate Adaptation Tool - https://lcat.uk) is a tool to help local decision makers understand the potential local impacts of climate change and consider possible adaptations to reduce damages and maximise benefits. The aim of the Focus Group was to see how the tool could best be used to help Parish and Town Councils.
COUNCILLORS INVOLVED	C Tagg, M Worth
RECOMMENDATIONS (including any communications)	
COSTS (ie contractor costs, purchase costs, ongoing costs) Detail any funding required from the Parish Council (Landulph Parish Council to consider affordability / budget / precept; and also whether it has the power to spend on this).	1. Additional compasses and measuring tapes - £13.98
Date of full Landulph Parish Council	20 July 2026
