Please complete and submit this form for any project proposals or Working Group updates to be considered by Landulph Parish Council.

TITLE	Playing Field Working Group Update
DATE OF UPDATE	9 Sept 2026
ACTIVITIES TO REPORT	The repairs to the tractor were completed in August. Thanks to David Ford who did the repairs. The cost was £338.86 (incl VAT) which was lower than budget. The annual playground inspection report was received in July. There are no high or medium risk items. All items were either low risk or very low risk. There are a number of watch items and some minor repairs eg a few rusty bolts. These will be fixed in the next month or so. We have no plans to replace any more of the playground equipment this year. Though we do expect to have to replace the swings in the next few years. We have done a land registry search for the land without success. It may not have been registered. Next step is to try and get the Council's deeds from the records of the old solicitor (who went into liquidation). All those records have gone into a national records bureau and have to be reclaimed. (Clerk Action)
COUNCILLORS INVOLVED	Cllr P Braund, Cllr L Gawith, Cllr G Braund
