ANNUAL PARISH ASSEMBLY FOR LANDULPH 2026

**Cllr Paul Cador
Cornwall Council**

Good evening all,

It's a pleasure to be invited again to your PC Meeting again

For the last year it has been non-stop, along with learning the role that I hold, I have been meeting Residents, Groups, Charities, I became the Vice Chairman of the Saltash and District RBL.

Committee's that I joined and participate with are Licencing, Miscellaneous Licencing, Emergency Drivers Committee and CIFCA (Cornwall Inshore Fisheries & Conservation Authority)

Other committee's I am on are Community Area Partnership (CAP)
Safer 38
Safer Saltash.

Other Parish and Town Councils I am on are, Landulph, Botus Flemming and Landrake and Saltash TC.

Its been an honour attending as and when I can but one of the problems I have in attending is because, I also work shift with the MOD at The Royal Citadel in Plymouth.

At the beginning of my term I was given a community Chest to the value of £1400. This was used for the following.

Cornwall Councillor Community Chest Grants 2025/26 – Paul Cador CC

Applicant	Amount
Sir Robert Geffery's School & Community Farm Maintenance equipment and children's outdoor toys	£500
Saltash Veterans Monthly support sessions	£450
Cornwall International Male Choral Festival Festival 2026	£225
Cornwall Blood Bikes Equipment	£225
Total of allocated funds:	£1400
Total of remaining funds:	0

My Community Chest has been restocked with the same £1400. If you know of any good causes that may need help, Please contact me.

One of the problems being had in Cargreen was the flooding by the Yacht Club, when the Comac Team came out and inspected. We were told that roots had grown through the drain and a specialist team would be needed. Contacted them a month ago and they said that there was no roots growing through the drain. I am happy to say that last week a team from Cormac came and cleared the drains. This was confirmed by Cornwall Highways Manager this morning.
