3. Message from Landulph Orchard Green

The summer event involving the Rock Choir in Duchess Green organised by Landulph Festival and LOG on 28 June was enjoyed by all those who attended (in total about 200 people). The setting and singing were 'truly beautiful' and the BBQ run by the Saltash Tamar Lions and Festival Bar were great.

On 1 August there is a free art event, [Sketching the Summer](#) in both Duke Orchard and Duchess Green. This includes refreshments and live music.

On 18 August from 2-4pm there is a volunteer event to help with the maintenance of the LOG fields; do come even if just for the cake and company.

When there are events in either of the LOG fields, they are still open for visitors. If you would like to help look after Duke Orchard and Duchess Green, please contact Clare Tagg or [email the LOG Working Group](#).

4. Message from Landulph Climate Group

Have you noticed how the weeds are growing along the edges of the pavements in Cargreen. Many areas of Cornwall have formed a Cormac volunteer working to tackle the weeds without using chemicals. Would you support a group in Landulph? With a some volunteers and a bit of effort (when the weather eases) we could clear the weeds - Cormac would provide us with compost bins and insurance. Please contact Clare Tagg or [email the LCG Working Group](#) if you support this idea.

Landulph Climate Group organised a successful afternoon for the children in Landulph School on 3 July with Citizen Science activities in Duchess Green - see [Landulph.org](#).

Also don't forget you can enter 5 pictures in the wildlife photographic competition - why not submit a photo for each month. Full details are on the [landulph.org.website](#).
