1. Details of Neighbourhood Priority Statement Open Meeting on 8 September

Those of you who have lived in the Parish for some time will remember the work that went into the Landulph Neighbourhood Plan which was completed in September 2019. Unfortunately that plan is now over 5 years old and so carries less weight in the development of Cornwall's Local Plan.

With changes in planning directives, Landulph Parish Council has decided to develop a Neighbourhood Priority Statement. This is a simplified way for local communities to express their views and wishes for their area.

Everyone in the Parish is invited to an open meeting on 8 September at 6:30pm in Landulph Memorial Hall. The meeting will allow you to find out more about a Neighbourhood Priority Statement and have your say about how you would like to be involved. More details.
