

Asset Management Group Briefing Document

	Comment
Site name and address	Land at Church Lane, Cargreen, Saltash, PL12 6NS
UPRN	12296
Service	Connectivity and Environment – Public Spaces
Property Description	Partially wooded and inaccessible land behind residential properties, 2 of which is CHL managed. Potential adverse possession for garden use in western half of the land.
Plan Insert or attach	 The map displays a residential area with several streets including Church Lane, Brookfield, Sinks, and Pond. A large orange-shaded area, outlined in black, represents the site of interest. This area is located behind residential properties. To the right of the site, there is a pond, a tennis court, and a well. The map also shows other streets like Brookfield and Sinks.
Photograph Insert or attach	

Recommendation	If there are no service requirement, follow the asset release process.
