Using maps in your neighbourhood priorities statement (NPS)

www.cornwall.gov.uk

Using maps

Use maps to:

- Show conservation areas
- Areas at risk of flooding
- Show information quicker
- Areas available for housing
- Areas for infrastructure
- Areas that need protection
- Areas for green spaces
- Show settlements
- Show locations of services and facilities, links and connections to places and employment

Map 2 - Sites proposed by landowners for potential housing

Local Council Interactive Mapping

We encourage you to sign up for our interactive mapping to access Ordnance Survey maps.

You need to use the licence number to ensure that you have permission to use the maps in your NPS. Ordnance survey can fine you if you don't use the licence number.

This is the standard copyright statement – insert the appropriate year as shown:
